**TOTAL BID \$ \_\_\_\_\_**

**BID SCHEDULE NOTES:**

The unit price for each item identified on the Bid Schedule must be written in words and also shown in figures. All blank spaces appearing on the Bid Schedule must be filled in. In case of discrepancy in Bid Amounts, **unit prices shall govern over extended amounts, and words shall govern over figures.**

The total price must be extended for each item of work and the total of all items inserted in the space provided. Bidders shall complete and submit entire BID DOCUMENTS section as their bid to the IVDA. Failure to do so will result in bid being non-responsive.

Total bid price for the entire contract work shall include the cost of labor, materials, equipment parts, implements, taxes and supplies necessary to compete the project, as based on the IVDA estimate of quantities of work.

BIDDER declares that this Bid is based upon careful examination of the work site, Bid and Contract Documents.
