

ADDENDUM #1

**INLAND VALLEY DEVELOPMENT AGENCY & SAN BERNARDINO
INTERNATIONAL AIRPORT AUTHORITY
John Deere 5310 Implements**

This document must be signed by the bidder's authorized representative and permanently attached to the signature page of the Bidder's Proposal (i.e. stapled) in its entirety. Proposals submitted without Addendum #1 or with the Addendum unsigned will be determined to be incomplete and will be discarded.

The omission and addition below shall be included into the John Deere Implements as follows:

Item No. 1- Section One (John Deere 522 Front Loader) of Implement Specifications, page 2, each Bidder shall omit the implement for a Hydraulic Joystick Kit with mounting brackets. It has been determined that this item has already been installed by John Deere at the time of initial purchase.

Item No. 2- Bidder shall connect the Front End Loader hydraulic lines to the Tractor's rear remote hydraulic couplings. All hydraulic hoses that run underneath the tractor or that are in proximity to hot engine areas shall be wrapped in stainless steel braiding.
