

**INLAND VALLEY DEVELOPMENT AGENCY (IVDA)
SAN BERNARDINO INTERNATIONAL AIRPORT AUTHORITY (SBIAA)**

REQUEST FOR INFORMATION (RFI) No. 1

**FOR THE PERFORMANCE OF PRELIMINARY ENGINEERING AND PREPARATION OF PLANS
& SPECIFICATIONS AND CONSTRUCTION MANAGEMENT SERVICES FOR THE PARKING
AREA INFRASTRUCTURE IMPROVEMENTS LOCATED AROUND BUILDING 730, 16 VACANT
ACRES NORTH OF AIRPORT AND 3RD STREET, COMPLETION OF HANGAR 763 PARKING,
PARKING ON THE NORTH SIDE OF THE AIRPORT AND THE DFAS PARKING LOT**

Tuesday, June 17, 2008

**Q1. How is the IVDA and SBIAA going to handle the awarding of the contract for the following areas:
Geotechnical Engineering, Soils and Material Testing, and Special Inspections?**

*A1. The IVDA/SBIAA may award individual consultant contracts for each parking lot, or award as a whole.
Each consultant firm is responsible to put their own team together. If one firm has all these disciplines
that will be also acceptable.*
