

SAN BERNARDINO INTERNATIONAL AIRPORT AUTHORITY
Notice Inviting Bids
BAY 1 & 2 OSCILLATING FIRE SUPPRESSION NOZZLES PROJECT

Prospective contractors are hereby notified that the San Bernardino International Airport Authority (SBIAA) will receive one (1) original and two (2) copies of a sealed bid proposal for the Bay 1 & 2 Oscillating Fire Suppression Nozzles Project. Such proposals will be received at the Airport Administration Office, Attention Clerk of the Board, 294 S. Leland Norton Way, Suite 1, San Bernardino, California, 92408, until **2:00 p.m. on Tuesday, September 22, 2009**, at which time said bids will be publicly opened and read. In bold lettering, the bid proposals shall be marked with the following words: "BAY 1 & 2 OSCILLATING FIRE SUPPRESSION NOZZLES PROJECT." Parties are required to check the SBIAA website at www.sbdairport.com under "RFP/Bids," for any supplemental information which may be posted for the benefit of preparation of Bid proposals.

A **MANDATORY** pre-bid meeting for prospective bidders and their sub-contractors will be held at 294 S. Leland Norton Way, Suite 1, San Bernardino, California, at **10:00 a.m. on Wednesday, September 2, 2009**.

The scope of work for the Bay 1 & 2 Oscillating Fire Suppression Nozzles Project includes, but is not limited to: preparing installation shop drawings, hydraulic calculations, and submittal packages for review and approval, installing two (2) new oscillating monitors in each hangar bay – for a total of four (4) new oscillating monitors, installing two new 6" foam deluge risers (one riser for each bay), modifying and/or reprogramming the existing Protectowire fire alarm releasing panels for the new monitoring and releasing functions of the new monitor nozzles.

Project Plans and Bid Documents are available at no cost from the Airport Administration Office, 294 S. Leland Norton Way, Suite 1, San Bernardino, California, 92408, beginning no earlier than 3:00 p.m. on Friday, August 21, 2009.

For questions regarding the Bay 1 & 2 Oscillating Fire Suppression Nozzles Project, contact Mr. Mark Gibbs, Airport Operations Supervisor at 909-382-4100, ext. 244, via facsimile at 909-382-7306, or via e-mail at mgibbs@sbdairport.com with the words "Request for Bids - Bay 1 & 2 Oscillating Fire Suppression Nozzles Project" entered on the e-mail subject line. **NOTICE:** All contractors are responsible to confirm receipt of any e-mail transmission via telephone.

The SBIAA reserves the right to accept or reject any or all bids and to waive any informalities or irregularities in any bid.
