

SAN BERNARDINO INTERNATIONAL AIRPORT AUTHORITY

PROJECT CONTRACT

ADDENDUM NO. 3

Construction of the IRP Site 2 Landfill Parking Lot

September 17, 2009

Section 2.12 of the specification shall be deleted and replaced with:

The material shall meet 2009 Greenbook, Section 213 requirements for identification, sampling and test compliance, and storage and handling. The geogrid physical properties shall specifically meet requirements in Table 213-2.2 (B) Biaxial Type S2.
