Q1. RFQ page 7, Submission Requirements, Paragraph B - Does the requirement that "all pages shall be three hole punched" mean that the Proposal (the original and each of the 5 copies) needs to be submitted within their own 3-hole binder?

A1. All copies must be holed punched and in their own binder.

Q2. RFQ page 4, Final PS&E Deliverables - Does the requirement "Retention of 15% of contract until project is constructed and Notice of Completion is recorded" apply to the Consultant's contract, or was this requirement really intended for the Construction Contractor who is awarded the contract?

A2. This requirement is for the selected Contractor.

This is the final RFI being issued, the deadline for questions was today, thank you.
