

ADDENDUM NO. 4

Request For Proposal (RFP) dated March 22, 2006, for Preliminary Engineering, Preparation of Plans and Specifications, Environmental Documents Related to Central Avenue - Valley View to Mountain View Avenue

The purpose of this Addendum No. 4 to the above referenced RFP is to clarify the requirements contained in the RFP as to the inclusion of an environmental consultant as a member of the Project Team to be identified in all responses to the RFP. Page 4 of 8 of the original RFP contains a paragraph entitled "Environmental Documentation" and Page 5 of 8 requires all proposals in response to this RFP to provide "a brief description of the subconsultants experience related to that portion of the project for the subconsultant will be responsible."

Any proposal in furtherance of the RFP will be deemed to be responsive if either (i) a consultant or subconsultant is intended to be retained by the entity submitting the proposal and is identified in the proposal with the professional qualifications of such consultant or subconsultant, or (ii) the proposal anticipates that in-house environmental staff of the entity submitting the proposal will be utilized describing the qualifications of such staff in environmental matters of the nature required, or (iii) the entity submitting the proposal has elected to utilize the services of the IVDA environmental consultant which is herein identified to be Tom Dodson & Associates under such terms and conditions as may be agreed upon with the IVDA for the use of the services of this IVDA retained consultant.

Any additional questions or clarifications on this matter should be directed to Alex Estrada at (909) 382-4100 extension 231 or via e-mail at aestrada@sbdairport.com.
