Badge Office Navigation

Date: May 2, 2022

Location: Badge Office

The following serves as notification of an upcoming construction project that will temporarily require a detour to arrive to the Airport Badging Office. Please refer to the map listed below.

This project will require the use of the new path for an anticipated time frame of about 9-10 weeks from **May 2nd to July 8th**. During this time all vehicles are to use Harry Shepard Blvd, leading up to AOA Gate 3 loop for access to the Badge Office parking lot. Signs will be posted to provide guidance. Badge office hours will remain the same for the duration of the construction project.

If you have any questions, please do not hesitate to call airport operations at (909) 382-2382.
